Experience Letter

Astha Niharika

It is to certify that **Astha Niharika** was employed as a **full-stack developer** at Das Solutions from **3 January 2023** to **30 December 2023**. During her tenure, Astha proved herself to be a highly skilled and versatile developer, excelling in both front-end and back-end development.

Astha demonstrated a deep understanding and mastery of various technologies across the full stack, including front-end languages and frameworks (HTML, CSS, JavaScript, React.js, React-Native, Angular, etc.), back-end languages and frameworks (C++, Node.js etc.), and databases (MySQL, MongoDB, Oracle, etc.).

- She collaborated effectively with cross-functional teams to gather requirements and ensure seamless integration.
- She independently delivered several critical projects for our company, from building responsive and user-friendly UI/UX interfaces to developing robust and scalable backend systems.
- Her implementation of best practices and coding standards improved code quality and application performance significantly.
- She actively contributed to code reviews and demonstrated exceptional problem-solving skills, fostering continuous learning within the team.

She excelled with excellent communication skills and conveyed technical concepts effectively. She was a collaborative team player, always willing to assist others and promote a positive work environment. Demonstrating adaptability, she embraced new technologies and offered innovative solutions to complex problems.

Her professionalism and leadership potential were evident through her commitment to integrity and mentorship of junior team members. We are sure that her passion and dedication will help her excel in whatever she chooses to do next in her life.

We wish Astha all the best for her future.

Sincerely

Alok Joshi
